

Implementation Statement

This Statement sets out the extent to which the Trustees have followed the Statement of Investment Principles in relation to voting and engagement with investee companies.

The Trustees' policy is to encourage the exercising of rights (including voting rights) attaching to investments, but responsibility for exercising such rights is delegated to those managing the investments.

In the year to 31 October 2023, there have been no rights for MM Wealth to exercise, and no votes relating to investments.
